Practice Areas

- Capital Markets Law
- M&A and Venture Capital
- Litigation

Practice Summary

Alexandra advises on capital markets law, M&A and venture capital transactions as well as serving as a litigator. She also advises on structuring and placing bonds, either as public offerings or as private placements.

She additionally advises private equity firms and strategic investors on acquiring companies and investors and founders on venture capital transactions.

Alexandra represents and litigates on behalf of both German and non-German companies in commercial matters both in court and out of court.

Representative Client Matters

- Advising a market leader in the mobility systems field on structuring and placing a corporate bond as a private placement
- Representation of a European automobile manufacturer in defending claims before German courts
- Representation of a German automobile manufacturer in defending claims in Germany
- Advised on the setting up of an international business in connection with student financing

Publications and Speaking Engagements

- The EU Growth Prospectus - an Alternative for Small and Medium-Sized Enterprises (*Der EU-Wachstumsprospekt – eine Alternative für kleine und mittelständische Unternehmen*), together with Dr. Matthias Möller, BKR 2020, 161

Education and Career

Alexandra has been a German Attorney at Law since 2022 and an Associate at SCHIEDERMAIR since March, 2022.

Alexandra studied law at the University of Passau. She completed her post-graduate legal training period (*Referendariat*) in the Higher Regional Court District of Frankfurt am Main. Before, and during, her legal training period she worked also as a Research Assistant in the field of capital markets law.
